

Full-Time Faculty Position in Program in Academic English (PAE)

SUNY Korea

Located near the coast of Incheon Free Economic Zone (IFEZ), SUNY Korea is the frontrunner of global education and the first American university established in Korea. Since its establishment in 2012, SUNY Korea has made tremendous progress both in its quantity and quality of education. SUNY Korea, as an extension campus of the State University of New York at Stony Brook (Stony Brook University, SBU) and Fashion Institute of Technology (FIT) in New York, provides select degree programs that are identical to those at SBU and FIT. SUNY Korea currently offers Computer Science, Mechanical Engineering, Technological Systems Management, Applied Mathematics and Statistics, and Business Management programs through SBU, and Fashion Design and Fashion Business Management programs through FIT. In addition to the major courses in these programs, SUNY Korea also offers various General Education courses such as Biology, Physics, Geology, History, Social Science, Political Science, etc. In order to strengthen our educational capacity further, SUNY Korea is constantly expanding its programs and recruiting prominent faculty from all over the world.

PROGRAM IN ACADEMIC ENGLISH (PAE)

The Program in Academic English (PAE) at SUNY Korea offers the foundational courses in writing and oral communication that meet the University's general education requirement. These courses prepare students for their academic success in writing and research, and in communication required in advanced courses across SUNY Korea.
